TRADE IN OFFER

VALID MAY 20TH - JULY 31ST, INSTALLATION BY AUGUST 30TH

TRADE IN. UPGRADE. SAVE. Your older vended Dexter washers and dryers have served you well for 15, 20 maybe even 30 years. NOW is the time to retool with new Dexter C-Series equipment! Dexter is offering up to \$1,000 per machine to trade in your old washers and dryers*. Plus for a limited time, you can add DexterLive for 50% off the MSRP.

Additional benefits of modernizing your equipment with the latest Dexter C-Series products and utilizing DexterLive include:

Improved efficiency with up to 50% utility and water savings**, access to profit-generating customizable cycles and features, a better customer experience, and a new store look.

The convenience of remote customer service and troubleshooting from anywhere with **DexterLive**. Plus, comprehensive reporting for insights into machine performance and customer habits in order to build a better business.

Once DexterLive is networked, access to the **DexterPay** mobile payment system is FREE! Customers can pay for their laundry via mobile app while you maximize your revenue with PLUS cycles and specialty cycles only available via the app.

Take advantage of Dexter Financial Services current **financing rates as low as 6.99%*****, their lowest rates in years, making your investment even more manageable. Don't wait, this is a limited time offer!
